BRAEMAR ALUMNI BULLETIN

Exciting News

We were thrilled to be a finalist for the prestigious Community Builder Award from the Chamber of Commerce Brant-Brantford! This exciting nomination recognized our school's outstanding dedication to making our local community a better place. We were honoured to be recognized alongside other outstanding organizations that help build a stronger community for everyone. While we did not win, it was a great event.

Exciting News

The students of Braemar put on an enchanting performance of the classic tale, "Beauty and the Beast." The school musical was a delightful showcase of talent, with students from all grades participating. The audience was captivated by the colourful costumes, lively music, and impressive acting. The hard work and dedication of the students and teachers made the show a magical experience for everyone who attended.

Art Show

The BHS Art Show was a colorful explosion of creativity! Held on March 20th, it showcased artwork from all grades. Students displayed everything from bright paintings and sculptures to impressive photos and collaborative projects.

It was a fantastic event that proved just how talented and imaginative Braemar House School students are! Thank you to all the Alumni that came to the event!

BRAEMAR ALUMNI BULLETIN

Alumni News

Maeve McNaughton Class of 2015

Maeve lives between Kingston and Toronto. She is finishing her second year of law school and working as a summer law student at Clyde & Co in Toronto. She will be graduating with her JD in 2026 and anticipates being called to the Ontario Bar in 2027. She plans to continue her career with a focus in litigation in Toronto.

Taif Ali Class of 2016

Taif is currently excelling in her first year at Schulich Medical School at Western University. She is volunteering with Produce Prescription that addresses food insecurity, and is involved in research; currently working on a project in orthopedic surgery. She is enjoying the journey of medical school and learning more about what she loves so she can choose a specialty later on.

Matthew Stephenson Class of 2004

Matthew graduated from the University of Guelph with a degree in Human Kinetics and a PhD in Statistics. Matthew moved to Edinburgh, Scotland where he is the Director of Statistics at Quantics Biostatistics. Matthew has been involved in competitive swimming, representing Canada at the Australian Youth Olympic festival (2007), as well as competing for the University of Guelph (2008/2013) at a national level. Matthew still competes today.
